Parish Nurse Program

Mary Bleckler, Community Outreach, SGCMH

573-883-4482

Parish nurses serve as liaisons between healthcare resources and the congregation. They perform multiple roles emphasizing the relationship between faith and health. Whether you are seeking preventive screenings, health counseling, or simply a supportive presence, our team of dedicated volunteers are here to serve you. Together, we strive to create a healthier, stronger community.

Resources for children/students.

Each year, almost a million kids go to school in the state of Missouri. While most families are able to stock up on essential health, food, and hygiene items, some will have a much harder time making ends meet. When basic needs go unmet, students can't focus on learning. That's why Care to Learn focuses our efforts in these three areas: Health, Hunger, and Hygiene.

HYGIENE ITEMS (FREE) *cont*
